2006 President's Message

As I begin my term as the 2006 President of Youth Tennis San Diego, I believe that we are embarking on one of the most exciting times in our organization's extraordinary history.

Our signature After School Tennis program is the largest and most successful in the country-more than 8,000 children in 85 schools participating throughout San Diego and North County! Our programs are truly multi-cultural and are making a lasting impact on our communities.

We have begun plans to add an education building to the Barnes Tennis Center that will bring to our youth the unique combination of tennis and education. Thanks to the generous gift of Lee and Steve Booth that made this possible, the coming years will see Youth Tennis San Diego continue to promote the educational, physical and social development of the youth in our community through organized tennis and educational activities.

This year marks the 10th Anniversary of the Barnes Tennis Center; we have already set in motion a Major Gifts Campaign whose goal will be to ensure the long-term maintenance of the tennis center, educational facilities and programs for future generations.

The success of our various programs is largely due to the efforts of our enthusiastic and devoted staff, as well as a dedicated Board of Directors and our many hard-working volunteers and supporters.

I am privileged to be part of an organization with such a remarkable history of vision and dedication from those who founded and followed through on mission to serve the youth of San Diego through tennis and education and I am excited to work with all of you in the coming year.

Photo by Diane Schafer

Mike Bandemer, President
Youth Tennis San Diego

Youth Tennis San Diego is a nonprofit organization whose purpose is to promote the Educational, Physical and Social Development of all youth through organized tennis and educational activities.

Our community programs encourage youth participation, personal integrity, leadership, and competitive spirit in a friendly environment that builds responsible citizens.

National Championships At the Barnes Tennis Center

The Barnes Center hosts four National Championships. The largest of these is the USTA Girls' 16 National Championships. It is one of the nation's most prestigious junior tournaments. Tournament Director Steve Bickham made the tournament an event to be remembered for all who participated.

Photo by Diane Schafer

The **Boys' 14 National Hardcourt Open** and the **National Father/Daughter, Mother/Son Hardcourt** were also held at the Barnes Center. San Diegans did especially well in the latter tournament. Duke and Rainy Miller won the Mother/Son, Kristie and Ken Watson the Father/Daughter, and Robin Ogburn and Bud Harris were victors in the Super Senior Father/Daughter.

Wheelchair Tennis

When the Barnes Center opened in 1995, Wheelchair Tennis was one of the first programs to roll on board. Thanks to sponsorship from the Torrey Pines Kiwanis Club, the Wheelchair Tennis program meets every week at the Center. Participants

range in age from seven to 68 years. The program is one of the few year-round programs in the country. Every October, the International USTA Wheelchair Open is held at the Barnes Center. Over 150 players compete in this, the premiere wheelchair tournament in the United States, and one of the most prestigious events in the disabled sports world.

Youth Tennis San Diego Special Events

Lee & Steve Booth Make a Generous Donation to Youth Tennis San Diego

Photo by Diane Schaefer

Lee and Steve Booth have announced a major gift to Youth Tennis San Diego (YTSD). Their heartfelt gift of \$2 million will ensure that the Lee and Steve Booth Family Legacy at the Barnes Tennis Center will continue to serve the children of San Diego.

Lee's father Fred, who visited San Diego to learn more about YTSD's mission, introduced Lee and Steve to the Barnes Tennis Center. Mr. Wells had a dream to build a tennis center for youth in Minneapolis where, like at the Barnes Tennis Center, children would have equal opportunity to participate, expand their horizons, and experience the lasting benefits of tennis and education. The Fort Snelling Tennis Center is now a reality, serving thousands of children in the inner city of Minneapolis.

Lee and Steve have nurtured YTSD's mission with their love for children and their strong belief that every child deserves a chance to be a champion in life.

Lee is a master teacher in Special Education, a member of the YTSD Board of Directors, and the Director of the Education Programs at the Barnes Tennis Center. Through her vision, hundreds of children have been exposed to a breadth of educational programs that she has established at the Barnes Tennis Center:

- Programs for children from the Monarch School, a school for homeless children in San Diego
- Special Olympic students learn the game using special equipment and teaching techniques developed by Lee.
- Homework assistance program
- Full service computer lab
- Parent seminars
- College guidance support
- Steve chairs the YTSD Financial Assistance Program, which provides grants to other community tennis associations in San Diego County and program scholarships for kids.

Lee and Steve have said, "We believe that through tennis and education, children learn patience, tolerance, confidence, fairness, respect...and they can dream achievable dreams."

Every step of the way, Lee and Steve have quietly established the foundation of their legacy through their passion for the welfare of children and their incredible generosity.

They have set the stage for children in our community to rise above expectations and contribute to our society.

Lee and Steve were honored on court at the Acura Classic for their dedication to our children. Thanks from all the children at YTSD; we eagerly anticipate the Booth Education Building.

YTSD Foundation

In 2000, as play at the Barnes Tennis Center increased each month and off site tennis programs were growing, it was decided that we needed to concern ourselves with the long-term care and maintenance of the Tennis Center. That year the Youth Tennis San Diego Foundation was founded. The purpose of the foundation is to create a long-term endowment for the George E. Barnes Family Junior Tennis Center and support the programs of Youth Tennis San Diego.

The YTSD Foundation Board is comprised of outstanding community members who have a love of what we stand for and a strong concern for children. The Foundation Board works year long to create sources of funding. Some of these funds are given to YTSD each year for operations and programming and a portion of the funds are invested for long-term growth.

The YTSD Foundation is looking forward to a very productive year in 2006.

2005 Youth Tennis San Diego Foundation Board of Directors

Bob Bowden, Gregg Caledonia, Raquel Giscafne, Jorgen Heimbürger, Gordon Jorgensen, Ron Langley, Fred Lewis, Angel Lopez, Ed Luce, Jack McGrory, Dr. Homer Peabody, Ben Press, John Schroeder.

Kathy Willette, Chairman

Chairman – Kathy Willette
Secretary – Wendy McWethy
Treasurer – Richard Evans
Ex. Director – Linn Walker

Honorary Members

Arnold Belinsky, Rolf Benirschke, Dick Enberg, Elliot Feuerstein, Billie Jean King, John McEnroe, Kathy May Fritz, Pam Shriver

The Rogers Family

Shines!

Margo and Scott Rogers give selflessly of both their time and energy to Youth Tennis San Diego (YTSD). They believe that tennis is not only a great way to improve physical strength and coordination, but is also an avenue for children to gain self-esteem, autonomy, social skills, dedication, and sportsmanship.

Scott has been president of the YTSD Board for the past two years. He has dedicated many hours and dollars to the growth of excellent programming, tournament play, and the maintenance of the Barnes Tennis Center as a first rate facility. Margo has volunteered endless time and energy to our galas and special events, including hosting our first alumni party in July.

When Scott got involved with YTSD about five years ago, he spent much of his early attention on the After School Tennis (AST) programs. He was instrumental in implementing a five-year growth plan, which would double the number of AST sites and reach more than 7,000 kids a year.

Scott brought the Monarch School program to the Barnes Center and has provided tremendous support with the Urban Village and other outreach programs.

He told us, "Margo and I want to help increase the resources of the organization so we can continue growing our programs for the next 50-100 years. We have a real passion for combining all the benefits of tennis with disadvantaged kids, and learning how to increasingly mix education initiatives with tennis."

To this end, Margo and Scott have committed \$250,000 to YTSD. They see this donation as the beginning of a strong pool of capital to ensure that children can be served and YTSD goals can be met for years to come.

This wonderful pledge makes a strong statement of the pleasure Scott and Margo receive from helping our children and their belief YTSD will enjoy continuing success. Youth Tennis San Diego thanks them for their bright leadership and positive attitude in helping to develop a new generation of healthy, involved citizens.

“Tux and Tennies”

Hosted by Ruth and Gordon Jorgensen

This year’s MatchPoint Ball held special significance because it celebrated the Barnes Tennis Center’s 10th anniversary. The event was held at the Barnes Center—under the stars! Attendees arrived wearing a mix of formal attire and tennis duds, clearly being creative with the Ball’s theme.

At the start, players from the USCD tennis teams joined children from the Preuss After School Tennis program for an exhibition on the Swortwood Family Stadium court.

Guests were treated to a lovely reception and silent auction in the Bisantz Youth building and on the patio. The bidding generated to a high pitch as the final silent auction board was closed.

The evening progressed outside, where several courts were transformed into an open-air dining room with twinkling lights and beautiful floral centerpieces.

A 15-member committee worked on the evening’s plans for eight months and because of the team’s efforts, the evening sparkled. The French Gourmet served a delicious buffet dinner and lovely music accompanied the evening events.

Youth Tennis San Diego (YTSD) president, Scott Rogers, spoke about the wonderful success the Center has had and plans for its future growth.

The bidding on live auction items was lively; lucky bidders left with trips to the French Open, Wimbledon, and the US Open, along with other fun packages.

Youth Tennis San Diego thanks Ruth and Gordon Jorgensen for hosting the event, and many thanks go to all the sponsors, guests, and bidders at the MatchPoint Ball. We raised over \$110,000 for all the children of YTSD. Your generosity is greatly appreciated!

After School Tennis

Celebrates its 15th Year!

On any given day of the week, the sounds of tennis balls, laughter and excitement of children can be heard from San Ysidro to Oceanside as hundreds of children participate in Youth Tennis San Diego's After School Tennis Program. AST is an entry level program conducted in the security of the school environment held September through May. Students receive two hours of instruction a week and participate in regularly scheduled special events at the Barnes Tennis Center. The program is available to all children, regardless of economic background. Critical to the participation of these children is our ability to provide partial scholarships. Approximately 93% of the students request financial assistance which is made possible by a number of sponsors and "Friends of After School Tennis."

Youth Tennis San Diego has a planned pathway of development for any child who wants to proceed beyond After School Tennis.

Alberto LeDuc coaches AST and Team Tennis students at Willow, Smythe, and San Ysidro Rec Center.

AST Team Tennis

At one site, the nets were made of metal and the courts were hard cement, but the smiles on the players' faces were genuine. Further north the courts were part of the luxurious La Costa Spa and Tennis Resort, but the students' smiles were equally genuine. Unlike real estate, After School Tennis is not about location, location, location. It is about children.

In our second year of After School Team Tennis, the number of children participating nearly doubled. Matches were played in the fall and again in the spring. 191 students participated in three geographic divisions and 13 schools were represented.

Special thanks goes to Mountain View Sports and Racquet Club and La Costa Resort for donating court time. We also owe a huge thank you to the coaches for donating their time. Without their dedication, Team Tennis would not be possible. Thank you Judy Inskeep, Nick Irby, Sylvia DeVoe, Rufus Rencher, Jennifer Teachout, Alberto Le Duc, Fred Aryee, George Espinosa, Steve Mallory, and Melanie Neville.

Programs

At The Barnes Tennis Center

Teaching tennis is a lot more than hitting the ball back and forth. The Barnes Tennis Center, home of Youth Tennis San Diego, has been producing champions and outstanding recreational players for many years. For most of those who play tennis here, we are a second home to them because of all that we have to offer. Stop by and you will see that we have more than just tennis! In addition to our 21 hard courts and 4 clay courts (all of which are lighted for evening play), we have a snack bar, a large indoor banquet room with kitchen located in our Betty Bizantz Building, basketball court, computer lab and library and parking for 200 cars.

Programs

At the Barnes Center, you'll find classes offered for all levels of play. Juniors between the ages of three and 18 are welcome to come out Monday through Saturday to participate in any of our high-energy programs.

Our High Performance classes are tailored for the player who is working on their Southern California and National ranking and committed to playing two to three times each week. We continue to place these juniors into the varsity level of high school and even into colleges with tennis scholarships.

Our Rising Star Classes run two to three days each week. These classes are more flexible and are tailored to the beginner and intermediate players.

We hope you'll come on out and take advantage of one of the complimentary evaluations offered by our Program Director, Conan Lorenzo. It's a great opportunity to see what class would be the right fit for you.

Barnes Cup Tournaments

Mark your calendars for our upcoming, Sunday afternoon Barnes Cup round robin tournaments. Players who are participating in Novice and Satellite tournaments are a perfect fit for our Barnes Cups. These round-robin tournaments will provide a low-stress competitive experience for beginner and intermediate juniors between the ages of six and 16. Our pros are on-hand to offer advice on tactics and sportsmanship. You may sign up at the front desk or on our website at www.BarnesTennisCenter.com.

Homework Assistance Program

The Barnes Tennis Center offers a positive and quiet learning atmosphere for students who are working to complete their homework before or after tennis practice. Lee Booth, our Education Facilitator, provides homework assistance from 3:30-6 p.m. Monday through Friday.

Summer Camps

One of our most exciting times of the year is summer. Half-day and full-day camps are offered from June to the end of August. The camps are intended for the beginner to advanced player, ages 4-18. Highlights of the camps are 15 hours of instruction and fun, match play and personal skills evaluation. One of our highlights of the week is our Davis Cup Team skits. Each Davis Cup Team has a chance to create a dance, song and chant for their team. Parents, make sure you have your cameras ready! They get pretty creative! And to round out each day for our full-day campers, we also provide extended afternoon activities such as structured match play and arts and crafts.

Photo by Diane Schaefer

USA Team Tennis

This USA Team Tennis Program at Barnes has been designed to allow the beginning and intermediate tennis players to comfortably move into tournament competition in a team-style environment. The environment will ensure a supportive foundation for new tournament players. The team participation includes registration fee, transportation to-and-from the tournament, as well as pre-and post-match coaching. Look for our next traveling team event, as they are scheduled in 8 week sessions two times a year.

Adults

We provide adult match play and workout classes for the beginning to the more advanced players. Look for our Ladies Ad-In Doubles League, Ladies Morning Doubles Clinic, Ladies Evening Clinic, Adult Advanced Evening Clinic and our Adult Beginner and Intermediate group lessons. If match play is specifically what you are looking for without time constraints, we offer a roster of players who are looking for matches located on our website, www.BarnesTennisCenter.com.

Community Tennis Highlights

USA Team Tennis

USTA Jr. Team Tennis is a recreational tennis program for juniors who are beginners to highly competitive players trying to gain more match experience. Juniors are matched with other players of the same ability to form a team in one of three levels—Ralleyball (novice), Intermediate, and Advanced. Teams play a Round Robin schedule against teams from their area at the same ability and age level. League winners will advance to the Sectional Championships to determine the Southern California Champions. The Southern California Champions, in various divisions, will advance to State, Regional, and National events.

Program organizers in the public recreation agencies, private clubs, schools, etc. are invited to organize teams and enter in the league program. If you do not have a league in your area, the SCTA will provide information to start a league and welcomes any existing programs that may wish to join Jr. Team Tennis.

Urban Village

The Urban Village Site in Center City continues to service the tennis community in the surrounding neighborhood. Eight schools use the site for their After School Tennis programs. These schools meet regularly with Director Stan Jefferson, YTSD manager of the Urban Village Tennis Center, and coaches Fred Ayree and Jessica Redding for additional support.

Director Stan Jefferson with Urban Village tennis stars

Junior Player Council

The Junior Player Council, is dedicated to serving junior tennis and has contributed much to the community and the Barnes Center this year. Council members are busy redecorating the players lounge by painting it and raising money to purchase a TV and other items for the lounge. Council members serve as court monitors at many of the Open tournaments, assist with the wheelchair program, and plan and produce the Annual Junior Awards Banquet.

Outreach Programs

Youth Tennis San Diego's outreach program is run by the education division. This year participants include the Ocean Beach Elementary School, Monarch School and Special Olympics. It is a unique opportunity for children to learn tennis and also receive academic assistance.

2005 College Scholarship Recipients

Andrew Haynes - Notre Dame	\$500
Michael Zwang - University of Pennsylvania	\$500
Janet Hwu - Stanford University	\$500
Kimberly Nguyen	\$500
Leslie Perea- UCSD Extension	\$500
Kelsey Richardson - UC Berkley	\$500

San Diego Junior Ranking Regulations

The rankings shall be based upon players' performance in USTA Open Tournaments, sanctioned by the Southern California Tennis Association (SCTA), played during the current ranking year. Only juniors residing in San Diego County qualify for a San Diego County ranking. San Diego will use the same criteria for ranking as does the SCTA.

2005–2006 San Diego Novice and Satellite Junior Tournament Eligibility Information

Winners of sanctioned Novice and Satellite divisions will be eligible to participate in a "Masters" event at the end of the year. Any player can play as high a level of tournament as he or she likes. Only matches played in the sanctioned Novice and Satellite tournaments are eligible for the "Masters" tournament.

Junior Novice Tournaments

Novice tournaments are recommended for beginner players. Most Novice events are round robin

Junior Novice Eligibility Rules

1. A player who has won a match in the first main draw round in any Open tournament will not be eligible.
2. Players who win 2 rounds in a main draw Satellite tournament are not eligible.
3. Players who win 2 Novice tournaments (with 6 or more in the draw) must move up to Satellite tournaments regardless of the age division(s) they won.

Junior Satellite Tournaments

Satellite tournaments are recommended for intermediate players. Satellite tournaments will be 2 out of 3 sets, regular scoring.

Junior Satellite Eligibility Rules

1. Players ranked in the top 50 (Top 40 in the 10's) by the SCTA, any other section, or foreign country are not eligible.
2. A player may not have won three or more matches during the past two calendar years (not including defaults or byes) in the main draw of (2) SCTA sanctioned junior Open tournament. This does not apply to the 8 and under.
3. A player may win a maximum of two Satellite tournaments in the same age division (each with 3 rounds or more). The player must then move up to the next higher age division where they may win a maximum of two tournaments in that age division.
4. A player may win no more than four satellite tournaments during a calendar year. However, a player may not win more than five Satellite tournaments during the junior's career.
5. It is the player's responsibility to notify the tournament director in any subsequent Junior Satellite Tournament(s) of any change in his/her status as a result of winning a Junior Satellite Tournament. If such notification is made prior to play, the player is entitled to a refund of any entry fee paid, or may request to be moved up an age division.
6. If you plan to enter a Junior Novice or Satellite Tournament, it is YOUR responsibility to make sure that you are eligible to play in those levels of tournaments. Players who repeatedly enter levels of tournaments they are ineligible for are subject to probation or suspension from tournament play. If have questions about your eligibility, contact the SCTA office directly. (310) 208-3838.
7. Singles eligibility determines doubles eligibility.
8. A Round Robin tournament winner is eligible for the Satellite Masters, as long as the player wins three matches (not including defaults).

Dr. Homer Peabody—A Special Man

NOVEMBER 16, 1919–DECEMBER 16, 2005

Youth Tennis San Diego has lost a very dear friend. Dr. Homer Peabody died December 16, 2005 at the age of 86. He was born Nov. 16, 1919 in Denver, and moved with his family to San Diego at age 6.

Dr. Peabody graduated in 1937 from San Diego High School, where he was Associated Student Body president and lettered in basketball and tennis.

At 6 feet 3 and 187 pounds, he excelled on a Cavers basketball team that won Coast League and CIF Southern Section titles. He earned a basketball scholarship to Harvard College and continued his sports career, receiving his bachelor's degree in 1941.

Dr. Peabody received his medical degree in 1944 from Physicians & Surgeons College at Columbia University. His training was accelerated after he was inducted into the Army during World War II.

He left the Army Medical Corps as a captain in 1947 and underwent additional medical training at Rees-Steely and the Mayo Clinic. Dr. Peabody joined Rees-Steely's staff in 1951 after earning a master's in medicine from the University of Minnesota. He became medical director of the Rees-Steely Research Foundation in 1967 and medical director of the group in 1977.

Dr. Peabody was named Mr. San Diego in 1997 by the San Diego Rotary Club and was a longtime member and past president of the group.

In 1953 when Youth Tennis San Diego was formed to support junior tennis, the founding members envisioned a tennis center that would provide opportunities for youths of all economic levels. But their dream was put on hold for decades.

The catalyst was a \$1 million donation in 1993 by George E. Barnes, a philanthropist and former U.S. Tennis Association president whom Dr. Peabody befriended. Homer and George Barnes

had a vision of a facility for children—and they made it happen. They felt that tennis has been an elite sport when it should be available to everyone because it can provide lifelong recreation.

As a champion of education and athletics, Dr. Peabody spearheaded plans for what became the Barnes Family Junior Tennis Center. Without Homer, the tennis center wouldn't be here, he was the father of it all. He was kind of a one-man bandwagon the way he encouraged people to participate in the project. Many other communities across the country view the Barnes Tennis Center as a prototype. The 12 1/2 -acre center opened with 24 courts

and an 11,000-square-foot youth activity building in 1995 and became the headquarters for Youth Tennis San Diego.

To children benefiting from the recreational and educational amenities of the Barnes Family Tennis Center, he was a father figure who always had time to share dreams and exchange volleys. During the past year, about 10,000 children from throughout San Diego County have participated in 80 outreach programs offered by the center, many at elementary and middle school sites as well as programs and tournaments at the Barnes Tennis Center. In addition to tennis coaching, the programs provide education and tutoring opportunities.

Homer was a bright, generous, caring man who gave so much to all the children of YTSD. He had a respect for all mankind and a sense of humor that “children” of all ages could enjoy. We thank him for sharing so many of his hours and talents with us. Youth Tennis San Diego is named in a charitable remainder trust created by Dr. Peabody and his wife Betty. In this manner Homer and Betty will be giving to the children of YTSD for many years to come. Thank you.

Support San Diego Junior Tennis

The Barnes Tennis Center is a public facility that serves as a community resource center for youth and their families. Children have priority at the Center and have access to the facility FREE of charge. Children can borrow equipment to play tennis, basketball or sand volleyball and have the opportunity to get involved in the Learning Center activities, which include tutoring and supervised access to computer technology. Children can also check out tennis videos and books in our tennis Library.

YES! I want to help **Serve the Future** of San Diego's youth.
