What is YTSD financial assistance?

YTSD financial assistance provides for the needs of youth within our community. The assistance can apply to all YTSD programs, including camps and programs. YTSD makes every effort to ensure that no person, especially youth, will be denied access to programs because of financial hardship. Our Financial Assistance Program is supported by contributions to our organization's financial assistance/scholarship fund.

How is the amount of financial assistance determined?

We use a sliding-fee scale, based on total household income and the number of dependents in that household.

How long does my financial assistance last?

Need for financial assistance is assessed multiple times per year. You should re-apply each program session.

How long does it take to begin receiving financial assistance?

Upon receipt of your completed application and proper documentation, processing takes approximately two weeks after the deadline.

How is confidential information handled?

Only YTSD staff will see your application. Applications are kept confidential and are not used for any other purpose than to assess program needs.
